Eden Resort & Club

Set in one of nature's most inspiring places on the coastline of southern Spain overlooking the renowned El Chaparral Golf Course the prestigious Eden Resort & Club is a paradise waiting to be discovered. This exclusive resort serves to create balance between your mind, body and spirit under the balmy Mediterranean sun embracing the luxury concept of resort-style living where your every need is met.

Situated on the Mediterranean coastline of the Costa del Sol, long loved by discerning buyers for the plethora of outdoor activities to be enjoyed, Eden Resort & Club is ideally situated close to some of Spain's beautiful white sandy beaches and is bordered by El Chaparral Golf & Country Club. In addition the popular town of La Cala is a few minutes' drive away famous for its fine dining and Blue Flag beaches.

Set in a prominent position this elegant development boasts contemporary architectural lines that blend naturally into the environment. The stunning beaches of the area are within walking distance making this the perfect spot for enjoying every aspect of luxury living on the Costa del Sol with a Sports Club complete with health spa, fully equipped gymnasium, tennis courts and a Putting green as well as an exclusive concierge service to ensure your every need is met when you own a property at Eden Resort & Club. The beauty of Eden means your senses are satisfied at every turn.

About the residences

Eden Resort & Club is a unique development of exclusive three and four-bedroom town homes boasting spectacular sea views, contemporary architectural style and the latest in-home technology.

These luxury properties offer well-distributed interior spaces where living area, dining area and fully fitted kitchen with breakfast bar blend into a living space that maximizes views from over-sized triple aspect doors and windows. Connection between outside and inside space is seamless with generous covered and uncovered terraces - the perfect place to relax and enjoy the views overlooking the golf course or the south-western coastline onto the Mediterranean Sea.

Each of the residences are finished to a very high standard befitting a property of this caliber with porcelain flooring and neutral tones and textures throughout allowing the owner to personalize the space to create the perfect living environment. Spacious bedrooms benefit from fitted wardrobes with the master suite boasting a walk-in closet and beautiful en suite. Outside manicured gardens envelope a private pool in some properties – a place to cool down after a game of tennis or a day on the golf course.

Features

Every detail has been considered to ensure owning a property at Eden Resort & Club is the best possible experience for well being. There are exquisite fixtures and fittings throughout including hot and cold air conditioning, a domotic system, as well as over-sized triple aspect doors and windows to maximize views allowing natural light to flow in.

Some bedrooms enjoy fantastic views and boast fitted wardrobes as well as an en-suite with porcelain sanitary ware. The master suite is elegantly designed and provides the perfect place to relax at the end of a busy day with large doors that lead out to stunning views from a private terrace.

The area

Mijas Costa is popular with international buyers due to its wonderful micro-climate, fabulous golf courses and proximity to Malaga airport allowing for easy transport links. Malaga airport is around 20 minutes east whilst the world-class resorts of Marbella and Puerto Banus are 20 minutes west. Nearby, Mijas Golf, Santana Golf and El Chaparral are the closest golf courses in this region with a further three Championship courses in La Cala de Mijas.

La Cala is only a couple of minutes away and has a lively restaurant scene with several well-known chefs basing themselves here. The beaches stretch for miles and are the perfect antidote for easing away any stress. Behind the beaches, lush Andalusian Mountains and pretty white-washed pueblos dot the area including the charming Mijas Pueblo. Magnificent Malaga is the place to head for art, history and culture - stroll the Carmen Thyssen Museum and take in the Picasso Museum and Pompidou Centre. n Thyssen, el Museo Picasso y el Centro Pompidou.

Marbella

One of the long-time favourite locations for the rich and famous Marbella continues to draw international visitors for its many finer points. The lower part of Marbella is where you will find one of the most beautiful promenades on the coast, lined with exclusive restaurants, as well as the small harbour. The Old Town is the perfect place to explore with authentic tapas bars and small boutiques dotted throughout the cobbled streets.

Just about every sporting activity is catered for in Marbella including world class tennis, sailing and golf but one of the best ways to pass time here is to dine in your favourite restaurant and watch the world go by.

Puerto Banus, Marbella's world-famous port is a millionaire's playground with super-yachts moored in the marina and designer boutiques lining the pavement.

Costa del Sol

The Costa del Sol has been charming visitors for decades with a temperate year-round climate that allows for a luxury and healthier outdoors lifestyle. With elegant marinas, ports, beaches and of course golf courses abound, the area is perfectly placed for enjoying life. The sunshine coast experiences approximately 320 days of sun every year.

The region's 161-kilometre coastline has everything you need to make the most of the weather. With a seductive mix of history and culture, prime beaches, a superb climate and activities aplenty the laidback lifestyle is what leads people to buy a second home or investment property here.

Our architects

Morph is a multidisciplinary team made up of more than 120 professionals, led by the architects César Frías Enciso and Miguel Pradillo Cendón.

Always focussed on creativity and the constant pursuit of that elusive creature known as excellence, Morph is synonymous with customer orientation. With innovation as a hallmark, we're pioneers in the use of BIM technology in Spain, so the life cycle of our projects involves and integrates architects, landscapers, decorators, engineers and surveyors from the very outset.

We understand projects as something unique for unique beings. We understand them as built from within (customer's needs) towards the outside (form), and we strive to always provide an added value reflected by space, comfort and technical quality. That's why we set out to make each of our projects memorable, cherishing an idea and always representing a step forward in our evolution as a studio.
